ANNOUNCEMENT FROM NESTLÉ

With regards to reports originating from Indonesia that Nestlé plans to relocate its production facilities in Malaysia and the Philippines, Nestlé (Malaysia) Berhad would like to clarify that there are currently no such plans.

In fact, in Malaysia, the Group continues to focus on its long term strategy of investing in production capacity as well as in product innovations and renovations. Nestlé (Malaysia) Berhad will continue to invest in the country and as announced in April, has set aside a total of RM140 million for capital investment in 2010.
